    - (b) Council is committed to treating requests for grants from these groups in a consistent, fair, and equitable manner, subject to established priorities and budget.
    - (c) Council promotes public awareness of the principles and guidelines by which Council is:
      - (i) providing an accessible, open, and transparent application and decision-making process for considering and responding to requests for grants; and
      - (ii) establishing a timeline for the submission and processing of such requests, so that Council can conduct a meaningful comparison and achieve an equitable distribution of support.
    - (d) Council advertises the Community Grants Policy and the application process through its website.
